**Subject: Appreciation for Your Contribution to the Computer Literacy Program under
Community Skilled-Project India (2024)**

Dear Saachi,

We appreciate your efforts in volunteering for the **Computer Literacy Program**. The program was organized by **We Mentor Research, Skill Foundation** in collaboration with the **Research & Development Cell SAKEC**, from 29th July to 3rd August 2024 at **Shah & Anchor Kutchhi Engineering College**.

The program empowered underprivileged students by providing essential skills in MS Excel, Word, PowerPoint, Internet Usage and other computer basics. This is program organized under the Initiative "**Community Project-Skill India (CPSI 2024)**" of Skill Foundation.

Your dedication and hard work were crucial in making this program a resounding success.
